Mr. Harold MacNeil

East Hants Curling Association

1157 Highway 2, Lantz, Nova Scotia

B2S 1T6

Mr. MacNeil,

Please accept this letter of a statement of my support for the East Hants Curling Association's Multi-Purpose Curling Facility Project.

This project will provide a great deal of value to residents of Hants East. This facility – that will come to fruition at the hands of countless dedicated volunteers – will certainly provide a supportive environment for the development of curling in East Hants. Moreover, the work of the East Hants Curling Facility will provide valuable recreation and sport opportunities to residents, and aid in promoting healthy living, no matter age or ability.

Mr. MacNeil, I look forward to assisting you in any way possible.

Kindest Regards,

A handwritten signature in blue ink that reads 'Margaret Miller'.

Margaret Miller

MLA, Hants East
